PRIX OLYMPIA TO BE AWARDED TO POLAND POST

Stamps with designs relating to Olympic sports and Olympic culture are an effective instrument for spreading and developing the Olympic spirit throughout the world. The stamps are issued by many postal administrations on the occasion of the Olympic Games.

In 1985, the President of the International Federation of Olympic Philately (FIPO), Juan Antonio Samaranch, under the patronage of the International Olympic Committee (IOC), created the 'Prix Olympia' a

competition to honor the most attractive postage stamps issued on the occasion of each Olympic Games.

The winners of the VIII Prix Olympia celebrating stamps for the Salt Lake City Winter Olympic Games in 2002 are:

Gold: Poland

Silver: Canada

Bronze: Serbia and Montenegro (ex-Yugoslavia)

Originality: United States of America

The prizes will be awarded during the 115th IOC Session in Prague in the presence of IOC President Jacques Rogge and IOC Honorary President for Life, Juan Antonio Samaranch, on 3 July 2003.

The following rules apply to the entry of stamps in the Prix Olympia:

Entries are all stamps issued until the end of the Olympic year.

Only stamps issued by postal administrations affiliated to the Universal Postal Union (UPU) may be entered in the competition.

The issue of the stamps must have been approved by the IOC and only stamps issued by countries having a NOC are allowed to enter the Prix Olympia.

A first jury, composed of FIPO members, selects 60 stamps out of all the entries. A second Grand Jury, composed of FIPO and leading FIP members, selects 12 finalists. The Grand Jury, comprising of over 1000 members, will then vote for the three winners.

The evaluation of the stamps will be performed in accordance with the following criteria:

The general appearance of the stamp

The merit of the subject presented

Technical skill in portraying athletic motion

The artistic merit of the design

The use of colour
