VIEWS & OPINIONS

READERS FORUM

<Dear Reader, Your feedback is important to us as it helps evolve the newsletter. Please send us have your thoughts and suggestions.>

JAYDEV NANSEY

I recently got the FDC of 16 Squadron. The cancellation shows the hooded cobra coiled in such a fashion that it hardly looks nowhere close to a snake and there is a bomb below it. Being a heraldist - one who studies symbols - such an act is blasphemy for us. Could you please bring this to the notice to the authorities and seek an explanation?

The philatelists must bring to the attention of Dept of Post the errors they commit in designing philatelic products.
