JHINGANS JOTTINGS

Hi

Believe it or not, India Post has not yet issued the Annual Collectors' Pack for the issues of 2004! In other parts of the world the year pack of 2005 were available simultaneously with the last issue of 2005.

Similar is the fate of India's FDC Pack that was introduced only in 2004 with the issues of 2003. The FDC pack for 2004 is still awaited. Then there is the promised Postal Stationery Pack that was expected to make its very first appearance with the issues of 2004.

This situation along with tough to find info and tougher to find the actual products in case of local issues such as Meghdoot post cards, special postmarks, stamps booklets, all kinds of cards and packs heightens the challenge factor of Indian philately!!!

Until next week, please enjoy the rest of the newsletter.

NEW STAMPS RELEASED

India Post released a set of four postage stamps to commemorate President's Review of Fleet at Visakhapatnam on February 12, 2006 in the denomination of Rs 5 each.

The fleet review is a long-standing tradition observed by major navies. It is a ceremonial event where the president witnesses the navy's strength and reaffirms his faith in its ability to safeguard the nation's maritime interests.

In India, the President, as the Supreme Commander of the armed forces, reviews the Fleet once during his tenure. Eight Reviews have taken place in India since Independence in 1947. The first was held in 1953 and the last, an International Fleet Review in 2001 at Mumbai.

After a number of ceremonies ashore, the President's yacht steams past an impressive array of ships of both the Indian and merchant navies and the Coast Guard which together symbolize the country's maritime strength. The Indian Fleet Review varies from that of some navies of the world, where ships steam past the reviewing yacht or ship. In a tradition inherited from the Royal Navy, the President inspects the navy to ascertain its strength and reaffirm his faith in its readiness to safeguard the nation's maritime interests and its security.

President of India A P J Abdul Kalam will review the ninth President's Fleet Review (PFR) at Visakhapatnam on February 12, 2006. This is the first time that the President's Fleet Review is being held on the Eastern Coast. The review was held in Mumbai during the past eight occasions.

The Navy will showcase around 50 naval ships and 55 aircraft ranging from carriers, missile destroyers, submarines, stealth frigates, naval sea fighters and helicopters.

The stamps depict INS Virrat aircraft carrier, and fighter plane Sea Harrier; Talwar and Brahmaputra class frigates and anti submarine Sea King helicopter; Sindhughosh and Sishumar class submarines; and Sandhayak class Survey vessel and off shore petrol vessel Vighraha of Indian Coast Guard along with a Dornier aircraft.

The First Day Cover depicts the Flag of the Indian Navy and the anchorage plan off Visakhapatnam Harbor. The first day postmark is an adaptation of two-masted ship from a 2<sup>nd</sup> century Satavahana coin.

Sankha Samanta designed the Stamps and the First Day Cover. Alka Sharma designed the pictorial first day postmark. Brochure containing write-up and technical data was issued on the occasion. The First Day Cover and the Brochure are priced at Rs 2 each. India Security Press printed the stamps in sheets of 16 that is 4 se-tenant blocks by Photo Gravure in the quantity of 0.8 million blocks.

DR AVINASH B JAGTAP, Binningen (Switzerland)  
Ungummed Definitives on sale!  
FOR THE WHIMS OF INDIA POST SKY IS THE LIMIT!

I was taken by great surprise to read that India Post will be selling definitive stamps on ungummed paper! But mind you, this not for the first time. India Post had also issued SERVICE stamps on 10th December 1981 (SG 0231-41). These were printed on cream paper, with simulated perforations. Demanding not only a pair of scissors to cut the stamps from the sheet; but also a bottle of gum to affix them!

This is indeed a great joke of India Post. The readers of Stamps of India, would like to know the reason behind this strange feat of India Post, which could lead India back in to the 19th Century! Retrogression instead of progress in the new world?

No postal authorities any where in the world could have dared to introduce such "gummicks" without gum!!

God give "Sanmaati" to India Post!
