JHINGANS JOTTINGS

Hi

In the issue #425 of Feb 25, 2010, we wrote that "World's first post office authorized carriage of mail by air took place at Allahabad, India on February 18, 1911. This year's February 18 marked the beginning of the centenary year of this historic event of worldwide significance. ----- It is worth noting that the beginning of this historic event has gone without any noteworthy activity."

We are now happy to report that Mainak Kathiara, President of Gujarat Philatelists Association, created a collectible item of this event by sending pictorial messages by ePost on February 18, 2010.

Until next week, please enjoy the rest of the newsletter.

VIEWS & OPINIONS

READERS FORUM

<Dear Reader, Your feedback is important to us as it helps evolve the newsletter. Please send us have your thoughts and suggestions.>

KAMAL CHAKRABARTY, Balangir, orissa

I wish to bring to your kind notice that 2010 is the 100th Birth Anniv of Mother Teresa. Unfortunately the Dept of Post has completely forgotten this fact while finalising the stamp issue programme for this year. Many other countries have included Mother Teresa in their 2010 Stamp issue programmes. It will be highly unfair if India Post does not bring out a commemorative Postage stamp or Souvenir Sheet to commemorate the 100 Birthday of the Noble Laureate Mother Teresa.

The philatelic community of this country would be very happy if you take kind steps to bring this omission to the notice of the Government so that a great mistake can be rectified.
