Jhingans Jottings

Hi

The season of rains begins now. Earlier no collector or dealer in India will expose their holding of mint stamps during rainy season. However we have been observing that from last few years the business of mint stamps does not come to a standstill as it used to be. It seems that due to rapid movement in prices of mint stamps a break of few months in buying and selling activity is simply not possible. Are there some other reasons as well? Let us hear it from you.

Until next week, please enjoy the rest of the newsletter.
